

ANEXO 1

Procesamiento en Lotus 1,2,3, versión 2.3

The screenshot shows the Lotus 1,2,3 interface. At the top, a menu bar is visible with options: Range, Copy, Move, File, Print, Graph, Data, System, Add-In, Quit, Insert, Delete, Column, Erase, Titles, Window, Status, Page. Below the menu, a table of data is displayed. The table has columns labeled with letters J through V. The data includes dates, descriptions of items, and numerical values. A status bar at the bottom shows the date and time as -2002 05:00 PM and the current cell as NUM CAPS.
