

Capítulo 1. Introduction

1.1 General Objective

1.2 Structure of the Analysis

Capítulo 2. Data Collection Methodology

2.1 The Analysis Methodology

2.2 Information Sources

2.3 Methodology for Analyzing the Data

Capítulo 3. Topic of Study

3.1 The Enterprise

3.1.1 Competition

3.2 The Iron Ore Industry

3.3 The Branch

3.3.1 Duties as an Intern

3.3.2 Work Experience at CBMIE

Capítulo 4. Data Collection

4.1 The Problem Identification

4.2 Causes

4.2.1 People and Team Organization

4.3 Consequences

4.4 Practical Examples

4.5 General Conclusion

Capítulo 5. Relevant Theory

5.1 General Overview of State-Owned Enterprises in China

5.2 Supply Chain Management

5.2.1 Supply Chain Management as a Management Philosophy

5.2.2 Global Sourcing Definition

5.2.3 World Class Purchasing Organization Objectives

5.2.4 Purchasing Communication Flow

5.3 Pillars of Purchasing and Supply chain Excellence

5.3.2 Cross Functional Sourcing Teams

5.3.3 Team Effectiveness & Efficiency

5.4 Culture

5.4.1 Cross Cultural Communication

5.4.2 Main cultural Concepts for China

5.4.3 Cross Cultural Training

5.5 Summary

Capítulo 6. Formulation of Potential Solutions

6.1 Model of the Problem

6.2 Evaluation of Two Potential Solutions

6.3 Assessment Framework for the Selection of a Solution

6.3.1 Performance of Cross-Functional Teams Against the Criteria

6.3.2 Performance of Cross Cultural Teams Against the Criteria

6.4 Solution Proposal

Capítulo 7. Limitations, Recommendations and Final Thoughts

7.1 Proposal's Limitations

7.2 Outlook and Future Research

7.3 Final Thoughts
