### Public Rejects First Strike in General, But Favors It for Iraq

Which comes closer to your own opinion -- the U.S. should not attack another country unless that country has attacked the U.S. first, or the U.S. should be able to attack any country it thinks might attack the U.S.?

Which comes closer to your own opinion -- the U.S. should not attack Iraq unless Iraq attacks the U.S. first, or the U.S. should be able to attack Iraq if it thinks Iraq might attack the U.S.?
