

Apéndice A. Intenciones / Speech acts

El presente apéndice consiste en un conjunto de intenciones, las cuales fueron implementadas en el módulo *Language Patterns*.

Request

- Positive request (Please go)
- Negative request (Please don't go)
- Positive suggestion (You should go, you better go)
- Negative suggestion (You should not go, you better not go)
- Ask for permission (May I go? Can I go? Should I go?)
- Positive command (You must go)
- Negative command (You must not go, you cannot go)
- Place request (Where to go?)
- Time request (When to go?)
- Procedure request (How to go?)
- Intention request (Do you go?)
- Subject request (Who? What? Which?)
- Explanation request (Why do you go?)
- General request (Are you going? Will you go?)

Inform

- Refusal (I will not go)
- Acceptance (I will go)
- Positive inform if (If I go...)
- Negative inform if (If I do not go...)
- Positive intention (I want to go, I would like to go)
- Negative intention (I do not want to go)
- Positive potential (I can go)
- Negative potential (I cannot go)
- Positive necessity (I need to go)
- Negative necessity (I do not need to go)
- Approval (It is ok to go)
- Disapproval (It is not ok to go)
- Positive preference (I like to go)
- Negative preference (I do not like to go)
- Positive commitment (I promise to go)
- Negative commitment (I promise not to go)
- General information (I go)

Others

- Proposal (let's go)
- Explanation (I go because...)
