

## Anexo II

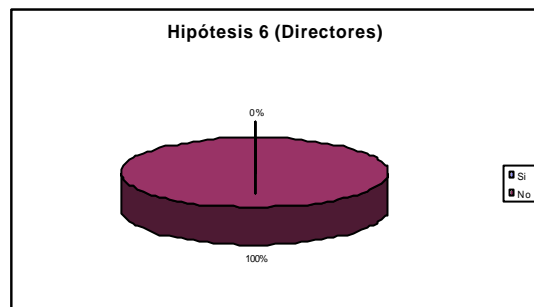

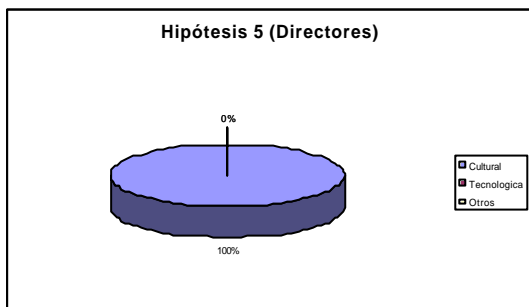

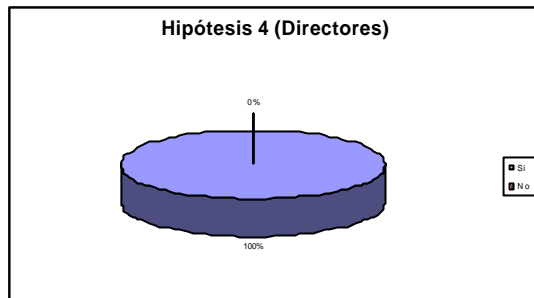

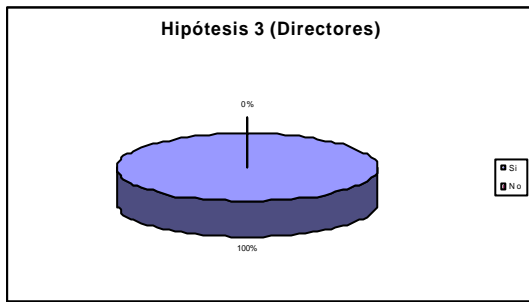

A continuación se muestran los resultados de los cuestionarios en cada uno de los estratos. Se entrevistó un total de 18 personas divididos como se observa en la tabla no. 1. Las pocas entrevistas se debieron a que la empresa Xop tenía una fuerte carga de trabajo y no se pudieron realizar más entrevistas.

|                      | Director | Gerentes | Jefes  | Operarios |
|----------------------|----------|----------|--------|-----------|
| Nivel en organigrama | 1        | 3        | 5      | 9         |
| %                    | 5.56%    | 16.67%   | 27.78% | 50.00%    |
